INSPECTION & MAINTENANCE OF YOUR FIRE, RESCUE & SAFETY (FRS) EQUIPMENT

Our highly experienced service personnel is on hand 365 days a year for your onboard safety service requirements.

Our service portfolio includes the inspection of:

- > Portable and Wheeled Fire Extinguishers
- > Fixed Fire Suppression Systems
- > Breathing Apparatuses (BA)
- > Emergency Escape Breathing Devices (EEBD)
- > Medical Oxygen Resuscitators and Cylinders
- > Immersion Suits
- > Life Jackets and Buoys
- > Gas Detection Devices
- > Life Rafts

Our service station

Located in the heart of Piraeus port our service station covers an area of 1500m².

Two separate sections are dedicated to the life raft and fire extinguishers inspection. Our station is equipped with latest technology equipment for the hydrotesting and refilling of your cylinders.

Online certificate portal

With our online certificate portal you have 24/7 access and complete control of your fleet's certificates due dates as well as notification prior their expiration.
