Opinions

“Total Care solution delivers everything it says, total safety, with total economy and total technical support & training.”

Cpt. Nikos Filippoglou
Marine Manager
Athenian Sea Carriers LTD.

“The best cost-effective solution for our fleet that offers us great peace of mind in terms of the safety onboard through certified trainings and great 24 hour technical support.”

Stavros Papageorgiou
Technical Director
Tufton Oceanic / FML Shipmanagement

“Thenamaris ’ contract with Total Care is consistent with our commitment to the safety of seafarers onboard our managed vessels. Safety is integral to the way we do our business and is our first priority. The Total Care solution includes the provision of certified training to crew and 24 hour proven technical support from a fast response team with global support. Total Care combines high quality instruments with excellent service, contributing to peace of mind for vessel operators and seafarers alike.”

Konstantinos Petrocheilos
Purchasing Manager, Thenamaris

“The Total Care solution provides an excellent service with high-quality instruments.”

Cpt. Evangelos Soultanis
Safety Superintendent/ Lead Auditor
Quality Assurance Dept. , TMS Tankers
