This Certificate replaces Certificate Number DQAS-27/11-OSL003 issued by QinetiQ under notified Body number 0191.

0168

This annex is valid only in conjunction with the certificate number stated and forms part of that certificate. It is valid from the date entered above until the date of expiry or cancellation of the registration certificate, unless superseded by a later issue of this annex.

Annex to

Marine Equipment Directive Module D Quality System Certificate Number BABT-MED005708-H1

Conditions:

The assessed quality system is also in compliance with Directive 96/98/EC, as amended by Commission Directive 2011/75/EU, This Module D Certificate is also valid under that amendment.

This Certificate is also valid for any later issues of the listed Module B Certificates unless specifically stated otherwise.

This certificate authorises the manufacturer or his authorised representative established within the Community in conjunction with an EC TYPE EXAMINATION (MODULE B) CERTIFICATE appropriate to one of the item designation types listed above to affix the "Mark of Conformity" (wheelmark).

This certificate loses its validity if the manufacturer makes any changes or modifications to the approved quality system, which have not been notified to, and agreed with BABT

The manufacturer must immediately cease affixing the "Mark of Conformity" on any product subject to suspension, termination, expiry, withdrawal or revocation of the supporting EC Type Examination (Module B) Certificate.

Signed: *L. Rowley*
