equipment and specifically state which activities(e.g. annual thorough examination and operational tests; 5-year thorough examination, overhaul; overload operational tests; repairs) are covered by the verification). This Certificate should be made available when requested. Service Supplier's personnel are certified in accordance with manufacturers' established certification programme. The service supplier is authorized to work on the makes and types shown in the attached appendix A.

This approval is conditional upon the Supplier maintaining the documented scheme as audited by any member of the Lloyd's Register Group and hereby approved; and notifying Lloyd's Register in writing of any change to that scheme including any change in personnel, equipment or procedures. This certificate is issued to the Supplier and, subject to the Supplier complying with the necessary conditions, is valid to the date referred to above.
